*"The Absolute Best Service"*

## Binding Elements

- Economical & Durable
- Assortment of Colors & Sizes
- Plastic Won't Chip, Peel or Discolor

### **Plastic Combs, Coil and Strips**

Our plastic binding elements are one of the fastest growing styles of document finishing. It's flexible nature allows this product to spring back into shape and withstand wear and tear caused by shipping and handling. Another great thing about plastic binding is that it's available in a variety of color, which allow you to meet unique specifications for projects.
